Join Fleet Directors for two days of private sales meetings and social events

IT'S NOT A TRADE SHOW . . . NOT EVEN CLOSE

The Trucking Summit is your proven way to engage decision-makers who are responsible for private or for-hire fleets with 50 or more power units. There are no booths, no hassles—and best of all—no hoping that a decision-maker walks down the aisle and stops by. The Trucking Summit is a unique event where you'll share two days of private meetings and social activities with interested executives in the trucking community.

YOU'LL MEET PRE-SCREENED DIRECTORS WHO ARE LOOKING FOR SOLUTIONS

Fleet Directors and Owners come to our Summits because they want to make smart buying decisions. They want to hear what's working for their peers, and what's not. They're looking to learn about the latest products and services in the market-place. And most important, they want to meet the people behind those solutions. We screen and interview all applicants to understand what they need, what they want, and then provide a grant for them to attend. It's a **qualification process you won't find at any other industry event.**

ONLY 45 VENDORS CAN PARTICIPATE

The Summit is limited to just 45 vendors, and only a few per product category. This ensures that the delegates are seeing a range of solutions within the 48-hour time frame. And your competitors can't outspend you with a massive booth or an army of sales execs. Each company gets to send two of their best relationship builders, and we take care of the rest.

"I had no idea of what to expect, and I was hopeful that your organization would deliver on what you promised. Well, you indeed delivered, and delivered in a big way. Well done to you and your staff on an innovative way to bring us together with high quality prospects."

— Robert Criste,
Director of Sales

How It Works:

A CUSTOM AGENDA OF GUARANTEED MEETINGS

You'll walk into the Trucking Summit with a custom agenda of meetings. You'll have seen a complete profile of every director including their acquisition plans for the next 6 to 18 months. They'll have seen a description of the capabilities that you provide. Our proprietary matching system will then generate a personalized agenda that includes boardroom presentations, one-to-one meetings, matched meals and memorable social activities with the prospects you want to meet, and who want to meet you.

AN END-TO-END SOLUTION THAT'S ALL INCLUSIVE

The Summit takes the hassle out of participating in events. We take care of just about everything so you can focus on meeting prospects—not meeting planning. Book your flights, get your boardroom presentation together on a memory stick, and then focus on selling. Your resort, airport transportation, a/v, boardroom meetings, one-on-one meetings, and special events are all included. There are no booths, no exhibitor manual and there's no one else to whom you'll need to provide payment.

The Summits are well worth it. They are an amazing methodology, run like a fine Swiss watch to get you face to face with prospects. You get two 20 minute presentations to a dozen prospects (mostly you choose, but they can also choose the vendors they want to see). Between the two presentations, we had 15 legitimate buyers of our services. Every meal is carefully orchestrated so that you have a key prospect on each side of you. Day two is speed dating. We met one-on-one for 15 minutes with 11 prospects. Five are now clients. Think of what you pay for a trade show, to stand in a booth and hope that someone walks by...this is a better way to spend your money."

—Mark Gardner, CEO, AvatarFleet
